I don't know — break - ing, I don't know, — shak - ing

I don't know — break - ing down. — Don't be af-raid

VERSE 2:

O weeping night,
O grieving sky,
O rabbit wind,
You just flew by.
Grant me this
Some small reward,
Don't announce
Time of the final call.

D.%. (spoken)

My dream was this:
Across the sky
A slate-grey cloud
That filled the eye,
A slate-grey cloud
Comes through the dust. . .
Locust.
